

Quarterly magazine curated by and for the Kyle of Sutherland children

Gledfield Primary pupils gathered under the rowan tree for a photo at the beginning of the term.

Ready for the new school year!

Kyle of Sutherland children went back to school on Tuesday 16th August. These are busy times for our school pupils, who are meeting again with their friends, getting used to their new classes and also to the new faces!

(Left) Rosehall Primary pupils from P1 to P7 in 2022-2023.

#GledfieldProduce

pupils were delighted to see all the fruit and veg in the polytunnel and garden when they returned to school. Thanks to everyone in the community who came in to water everything over the hot summer days. We shared our produce with Mrs Mackenzie our cook and she made some new recipes for us with them. Courgette cupcakes were a bit hit. Also the P1-3 are loving looking after the caterpillars they found on the cabbage, which is what they are all crowded around looking at. They eat a lot of cabbage leaves and are starting to spin their cocoons.

#OurHolidays

Horse riding at Edderton, I had water, I was happy, it was at Edderton.

KFC, 10 piece chicken bucket. I was happy, it was in Inverness, it was tasty, I had Pepsi.

I went to Belladrum, I ate chips, and I went camping.

I went to Moy county fair, I had doughnuts, and watched the falconry.

I went to Nairn for a Holiday and saw some dolphins I had lots of ice cream and also went to the fair

I went to Inverness and saw Minions Rise of Gru at the cinema it was really good. And I went to the zoo near Inverness.

I had lots of fun at sleepovers, I went to at least 5!

I went to the shops with my mum and cousin, we each got stuff for ourselves. It was very boring I did not like it.

I went bowling and I won both rounds. It was very fun! And I got two strikes. And it was in Inverness. And it was 10 out of 10. I went with my mum and dad.

I went to Belladrum and I saw: Annabelle, Magnus, Charlie, Harry, Dylan, Kieran, Maddie and Zoe. I ate: two ice creams, a crepe for breakfast and two slushies.

I had bubblegum flavoured ice cream with a flake. I also went to the cinema.

Bonar Bridge Primary

#EarlyYears

It is lovely to have everyone back in nursery after the summer break and a big welcome to our new starts who have settled in very well. We have been making the most of the beautiful weather with lots of outside fun.
