Gledfield pupils left crosses at Ardgay War Memorial

Busy Autumn term

Halloween, Remembrance Sunday and Children in Need were some of the events in which children from our local primary schools participated.

Spooky Scary costumes for Halloween at Rosehall Primary.

The Pupil Council organised a vote to rename our classes after trees. The nursery chose 'Rowan', P1-3 chose 'Willow' and the big class chose to be called 'Hazel'. We have a big willow structure beside our pitch and rowan trees beside the sandpit. But we didn't have a hazel so we planted a sapling which we were gifted. This is what we did with Mr

Paterson. We dug a hole and then planted the sapling. It had a tube to protect it from rabbits and deer and a stick to support it. It will be 10 years until it produces nuts. It's important to plant trees because they give out oxygen and take in carbon dioxide. It will be good for birds and animals too: we hope the red squirrel will visit us again.

Gledfield Primary

#FootballTraining

This term Ross county are doing fun football training with Gledfield every Friday. Chris the coach takes both classes for 45 minutes each. We play games like Hungry Hippos. It is a lot of fun and tiring too. We are trying to get better at football and to keep ourselves fit. We play outside but when the weather is very wet we play indoors. **By Lilly P6**

#RemembranceDay

Remembrance Day is on the 11th November every year. This year the whole school walked down to the war memorial in the afternoon. We got crosses with poppies on them from the British Legion and we put them in front of the memorial. Poppys are to remember the dead. The poppy is the flower because it's the only thing that grew on the battlefield. We read all the names on the memorial. We showed that we respected the people that fought and died in wars by keeping silent for one minute. Every soldier should go to heaven. We saw the stones that we painted with poppies a few years ago. Jay in P4 told us some facts about the war. **By Max P7, Jay P4 and Vinnie P4**

#GledfieldGoForIt

Gledfield competed in the swimming gala which was held in the new pool in Alness. Gledfield was in group D and came third out of nine. We were really pleased with our result. Some pupils are taking part in the district running series - the first race was in Inver, then the second one was in Alness. There are lots and lots of other competitors there. Thanks to one of our parents who drives us to the competitions. **By Magnus P7**

#ChildrenInNeedDay

The children from Nursery to P7 brought in home baking and held a bake sale in school on Friday 18th Nov. The pupil council organised this and they ran the sale on the day, doing a great job and making £160 for Children in Need. We are very grateful to parents for their support with this as there were a great many delicious cakes, tray bakes and goodies.

#PudseyBear

In the afternoon we had a House Challenge to design a new outfit for Pudsey Bear. The pupils worked in teams from Nursery to P7 led by their House Captains and managed to complete the new outfits in 45 mins!

Remembrance Day Blackout Poetry

#RemembranceBlackOut

Using 'In Flanders Fields', we had a go at creating, illustrating, and reciting our own Remembrance Day blackout poems. We were very impressed with our final pieces!

Rosehall Primary

#GoodVibrations

Focusing on promoting positive Health and Well-being, Carol MacKenzie kindly volunteered to help us develop our relaxation skills with some super calming Sound Bowl sessions.

#ScarySuccess

A super scary and successful bunch celebrating Hallowe'en! We learnt about the Scottish history of Hallowe'en, made monstrous masks and tessellation ghosts, took part in the witches ring toss, dookin' for apples, and challenged our memories in a game of touchy feely and remember me!

#Shoe-MongouslyGenerousDonations

We're so proud of everyone's excellent efforts and incredibly kind donations to the Rotary Shoebox appeal. We hope our boxes bring some festive joy to families living in Ukraine and the surrounding areas!
