

Quarterly magazine curated by and for the Kyle of Sutherland children

Bonar Bridge pupils reenacted a World War 1 battle.

Active learning!

Local schools children have enjoyed outdoor activities and sports this term.

(Left) Gledfield and Edderton pupils enjoyed taking part in the Inver Fun Run on Friday 20th May. (Right) Rosehall Primary Cross country competition: the whole school took part in High Life Highland's Virtual Running Series.

Our Pupil Council have had a very active role in the school this year and their greatest achievement so far has been ordering and organising new sand and toys for our playground. This has proven very popular with all children from nursery to P7. Thanks so much Pupil Council.

#woodwork

The P7 pupils from Edderton and Gledfield schools met Mr Agnew of TRA Technical Department recently to start their transition project. This is to help them get ready for going to TRA. They measured in millimetres, and were drawing on a piece of wood. They are going to cut, glue it and sand it in 3 weeks time when they are at TRA for transition days. This will make a model boat. They shared what they did with the rest of the P5-7 class when they got back. **Kieran:** I like woodwork and I am looking forward to woodwork and metalwork at TRA. **Angus:** I do woodwork at home like making a shed for my ducks. I think it might be my favourite subject.

Gledfield Primary

#inverfunrun

On Friday the 21st of May There was an Inver Fun Run on. All the Rosshire schools and Gledfield went. There was only one person representing Gledfield and that was me. Since there was only one person going from Gledfield, Magnus came to support me. My granny took me and Magnus there. There were lots of teachers and parents there. For the Fun Run we had to run over a mile. There was a boys race and a girls race. There were thirty two girls and I came 10th. I was really proud of myself. I was really tired after the running. **By Rebekah P6**

P1, P2 and our nursery 4 children have taken part in Safe, Strong and Free workshops. Anita led these workshops and the children thoroughly enjoyed them. They learned about how to deal with a variety of situations, including friendships, bullying and stranger danger.

#heilancoo

We have been invited to take part in the Highland Hospice's Wear Yellow Day and to enter the competition to design a Mini Coo. The winning design from a Gledfield pupil will then go on display as part of the Highland Hospice's exhibition.

#pupilpaper

Gledfield has been developing their own "Pupil Paper" this year. We have had 3 issues so far. Issue 4 is going to include interviews conducted by our very own roving reporters.

Bonar Bridge Primary

#ww1battlereenactment

For our WW1 topic the pupils investigated the advantages and disadvantages of trench warfare.

#humanbody

On our trip to Newton Room in Dingwall Bonar Bridge children did experiments to link to our topic of the human body.

On our way to Edinburgh...

Rosehall Primary

Euroquiz 2022 Highland Heat Champions

Euroquiz Supporters!

#creepingtoadatferrycroft

We were very lucky to attend a brilliant literacy workshop with Gordon MacLennan, aka Creeping Toad, at Ferry Croft. We had lots of fun using nature to inspire us and develop our story telling skills. We spent the day creating puppet characters and story settings on the forest floor.

Around Europe in 60 Days.

#euroquizhighlandheatchampions

We are incredibly proud to share the news that we won the Highland Heat of Euroquiz 2022! Now crowned 'Highland Heat Champions', we hope we can continue our success in Edinburgh, in the Debating Chamber of Scottish Parliament, on the 13th of June 2022. The whole school will make the journey to Edinburgh to support our terrific team. We are very excited and cannot wait for the final, but have lots of Europe revision to do in the meantime. Good luck, Team Rosehall!

#crosscountrycompetition

Huge well done to our Cross Country runners and spectators! They did so, so well, despite the windy conditions! Early in March, the whole school took part in High Life Highland's Virtual Running Series. Great running, everyone!

#bikeability

In May we completed level 2 of Bikeability. We really enjoyed taking part in the sessions and feel much safer whilst out on our bikes. Huge thank you to our Bikeability instructor, Mrs Livings!
