Back to school

Wishing all local primary pupils a brilliant start to the school year!

We have welcomed three new Primary 1 starts at **Bonar Bridge Primary School** in August.

Rosehall Primary School P2-P6 class.

Parent Council Fun Day

It was lots of fun! Everyone says thank you for organising lots of activities for families. It was for fundraising for the school so we will have the chance to choose some things for our school. "Sylvia did face painting, and Annabelle and Olivia did nail painting. The bouncy castle got a bit chaotic as

lots of people went on." **By Aria, P5.** "My mum practised face-painting on me. It wouldn't come off! There were lots of plants

for sale that the gardening Group grew." **By Santiago P6.** "Lilly painted my face as a hungry emoji. The bouncy castle

Gledfield Primary

was very bouncy." **By Adabeth P5.** "It was fun to paint people's faces. I like doing the emoji ones. My mum does mine." **By Lilly P4.** "Annabelle and Olivia did fake tattoos too." **By Jay P7.** "The blue slushies were yummy." **By Elowen P6.** "Lots of us got our nails done! Mine were baby blue." **By Bailey P6.** "We played Beat the Goalie with Mr Maciver. I got three prizes." **By Owen P5.**

Children's Rights

This year we were awarded UNICEF's Rights Respecting School Bronze Award. We have used Children's Rights to help us create our Classroom Charter for this year. "Food and freedom to run around! These are important rights." **By Vinnie P7.** "Children have the right to a home. Some children in the world don't have a home because of war or a natural disaster." **By Cohen P5.**

The Gruffalo

Our P1-P3 class has been busy making their very own Gruffalo models! The children worked carefully to build the Gruffalo we all know from the story, paying close attention to his 'terrible tusks, terrible claws and terrible teeth in his terrible jaws.' This craft helped them bring the story to life while developing their creativity, fine motor skills, and love of books.

Award winning carrots!

At the school Gardening Club we're growing a lot of different fruit and veg. Our carrots looked so yummy that we entered them in the Flower & Veg Show and we won two prizes!

Art Exhibition

We showed our creativity off at our Art Exhibition in the village hall. We made wooden sculptures, Hundertwasser-inspired landscapes, flags of the world, daffodil still-lives, and a massive sheep collage.

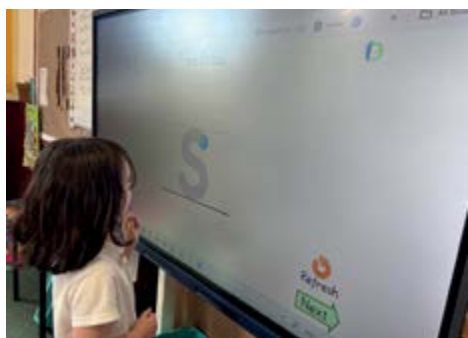

Assembly

Bonar Bridge Primary School have welcomed their new Depute Head Teacher Mrs Abigail Millward. Here are the pupils from nursery to P7 in the gym hall for one of our first big assemblies, learning about aspirational world leaders.

Bonar Bridge Primary

P1 starts

P1 pupils are keen to learn and have enjoyed getting stuck into phonics and numeracy lessons. They've been exploring Numicon and learning about numbers to ten, using the interactive smart board for phonics lessons and enjoying playing with new friends.

Outdoors PE

We are delighted to have Mr Traynor back teaching PE this year. Here we are enjoying the warm weather and sunshine with a PE lesson outside. We are developing ball skills and also skills for working as part of a team.

Rosehall Primary

Healthy tuck shop

We have been out and about in our local community learning about healthy eating options for re-stocking our school healthy tuck shop. We were able to put our

maths and numeracy skills to good use whilst visiting a major retailer to shop for our tuck shop stock whilst learning a great deal about food labelling systems; finance and maths in the real world.

Gardening Club

We have been establishing a new gardening club at school and have already begun to reap some of the rewards of our harvest! We very much hope the cucumbers will work...the initial flowering looks good!

Outdoor Learning

Here at Rosehall we continue to embrace our outdoor learning experiences with developing our own grounds and frequent visits to areas of interest around our own immediate community and beyond. This term we have a focus on the seashore and under the sea so will be developing our learning and understanding for sustainability and our environment both on and off the shore. As part of this we will be going rock pooling and taking a trip on a local ferry – hopefully we will see some dolphins in the process!

Languages

We continue to embrace continual language learning through our work with Gaelic and French, our older pupils are quite excited about trying out their language skills on our online learning platform.

Ceilidh Dancing

We are pleased to be working with ESSSA again this term as we get prepared to begin our Ceilidh dancing sessions with Monica in preparation for the Ceilidh dancing competition in Brora.

Road Safety

We paid a visit to Wick where we met with the JRSO (Junior road safety officer) team in conjunction with our road safety awareness programme, where we will work with other schools to promote road safety across the Highlands.
